

ILDWOOD

ARMS

2024

Dear Gardening Friends,

Welcome to Wildwood Farms! This is our twenty-fourth season and we'd like to thank everyone who has visited our garden over the years. We hope that your visit here will make the world a little brighter. We are so grateful for all the friends we've made over these 24 years! We are looking forward to seeing everyone!

Let me tell you a little about Wildwood Farms. We're located on two acres on 221S in Floyd, VA. My name is Judy Bowman and my husband, Bob and I, are the owners. We have been a field grown daylily garden since our beginning in 1999 and we started selling to the public in 2000. This farm is truly a labor of our love for daylilies! We added the General Store to our business in 2013. In our store, we are offering garden supplies, garden décor, home décor and unique gift ideas. In addition, we have "Mama's Pantry" where we offer a variety of foods including bulk beans, VA canned jams, VA grown nuts, local grains and a selection of bulk candies and foods. We also have "George's Kitchen" where we have hand dipped ice cream, pizza, sandwiches and more. We have live Bluegrass or old-time bluegrass music on select Saturday nights during the Spring and Summer. We also have music jams and classic car cruise-ins on the first and third Sunday of the month during Spring and Summer. For event information, you can check our Facebook page, website or call the store. As always, I want to thank my family for all their hard work and help. We also want to say how much we miss Mama and George and think about them all the time. I know they'd love the store and the music. I never walk through the garden without talking to my Mom and remembering all the special times we had through our love of flowers. She was my best friend and the best person you ever met.

If you would like to purchase daylilies, we can dig your flowers at the time of purchase or we can ship them to you. **PLEASE understand that we have limited staff and there may be a wait to get flowers, especially during peak bloom!** We accept cash or credit card for payment.

Every year the prices for certain plants may increase or decrease and this price list will replace any previous lists. We don't want to disappoint anyone but there are many flowers that we will not be able to sell at this time. **If you do not see the name of a flower listed in the price list that means that it's not available at this time.** I want to stress that you will see some flowers blooming that are not for sale at this time, but they may be available at a later date. Please understand that some

flowers will be offered in limited amounts and may sell out quickly. **If you see a piece of colored flagging tape tied to the name stake that means we've sold out of that variety for this year.**

Below you'll find an explanation of abbreviations of terms that I use in the price list to describe the flowers. If you have any questions, feel free to ask. Also, we do have information sheets about the care of daylilies. Please feel free to ask for one.

*Key To Abbreviations*

<b>E</b>	<b>Early</b>	<b>D</b>	<b>Dormant</b>	<b>NOC</b>	<b>Nocturnal</b>
<b>EE</b>	<b>Extra Early</b>	<b>SEV</b>	<b>Semievergreen</b>	<b>DBL</b>	<b>Double</b>
